MEMORANDUM FOR: Special Assistant to the Director

SUBJECT : Current Requirements for Middle East Coverage

REFERENCE : Memorandum for SA/PD/DCI, from Chairman, ARC,
Same Subject, dated 12 December 1958 (SC-06841/58)

1. I learned by phone this morning that the Navy and the Army
tend now to go along with [] whose views I reported in the
reference, regarding the need for Middle East coverage, particularly
[] The Air Force is neutral, which means that they're
not against it but they're not hurting for coverage.

2. I have checked back with [] for the situation of the
moment. He reports that there are no startling new developments but
that the parties involved are in a state of alert to be ready to take military
action if necessary.

25X1

3. The last Middle East coverage is dated 19 November. Keeping
in mind your admonition at the last staff meeting with regard to avoiding
unnecessary risks in Middle East coverage, I am inclined to feel that
coverage of the Middle East at this time would be pertinent.

25X6
4. Recommendation: That you approve a Middle East mission
with primary emphasis on [] (If you
approve, I will immediately gather and forward requirements to Operations
DPS/DCI for its guidance.)
